## Their Excellency's Missive

Greetings to all.

Fall is fresh in the air and the dog days of summer relinquish their days to the crispness of the harvest. We look forward to the pageantry of Coronation, and encourage all to work together and witness the crowning of the twenty-fourth rulers of these great lands.

At the end of September is our largest outreach to the community, Museum Comes to Life. This is an immense demonstration of our life as a Society, and is part of the role we play as a non-profit, educational organization. Please bring your best and most impressive for display. Museum Comes to Life is also the best chance we have to encourage others to join our Dream. At both of these events, Coronation and Museum Comes to Life, bring or send with someone your banners, your pennants, your gallant displays to beautify the site.

Finally, We turn our thoughts to Estrella. While Artemisia is not a principal Kingdom for Estrella XXV, Timmur and Tianna see this as an opportunity to show the Known World our exceptional strength as a key ally. We will be starting efforts to coordinate a strong Arn Hold contingent to participate in the silver anniversary of Estrella War.

Braden Giliana  
Baron Baroness

## *The Moose is Ear*

These phrases were overheard by big Moose ears. Who is the speaker you ask and in what context was it spoken? You figure it out.....

- ◆ "It's all soft. "
- ◆ "Is this the one I chew on or suck on?"
- ◆ "That's amazing! What is it?"
- ◆ "May I use your fingers?"
- ◆ "406?"
- ◆ "If Ronan gets one more, he won't be able to stand up. "
- ◆ "Your plumbing is wrong...get away from me"
- ◆ "Fernando's got plenty of my do-dads?"
- ◆ "I didn't want to impale you with my pole?"
- ◆ "It looks like it's a big one"
- ◆ "Something is licking my ankle. "
