Their Excellency's Missive

Greetings to all.

The weather turns crisp and the harvest ripens. Well pleased were we by the presence and support from Arm Hold at Coronation this past month. Congratulations to our new King and Queen, Timmur and Tianna. Half of the fluttering pennants and banners came from Arm Hold, and the strong presence of Arm Hold in the seats was impressive. The power of the carpool was evident as almost everyone who traveled to Gryphon's Lair from Arm Hold did so with others. We were wonderfully grateful of the solid support from all of the populace who attended; each group of people from Arm Hold pledged us assistance throughout the day. Your support was noticed and appreciated.

October promises to be a busy month for Us. We are making the journey to the Shrine of Core du Ciel to witness Crown Tournament, which will select the twenty-fourth King and Queen of Artemisia. The following weekend, a Call to Arms here in Arm Hold promises to showcase the martial prowess of Our fair Barony. In discussion with archers of Artemisia at Coronation, all seemed eager to make the journey here for one last great hurrah on the field.

We also wanted to take a moment in Our missive to comment on the role of our officers. We are very thankful for those that fill these needed roles in Our Barony. However, know that the job of officer need not take all of your spare time and efforts. Any who are doing only the minimum requirements of their office is still a great officer. Please take pride in the jobs that you are all doing and do not feel any sadness if you are unable to overdo it. <<cough Esabell cough>>

Finally, Our thoughts turn with ever increasing ominous expectation to Estrella War. We are looking forward to the trek to the warm sands as we stand with allies in combat and meritment. Those planning to make the trip, now is the time to plot travel arrangements. Start the discussion and coordination of efforts toward the journey south.

In Service We remain,

From Hold Poplaxe Meeting Re-Cap

Date: Sunday, August 24, 2008

The following is being shared as a courtesy for those who could not be in attendance. It is by no means "official" nor is it necessarily a full and complete transcript. This is simply what one lady chanced to over hear, and is sharing with other of like interest as a courtesy. ~ Lady Ce'Nedra von Oppal

Due to electronic submission issues and the lateness of the discovery, August's Poplaxe Notes are missing from this issue—My sincerest apologies and arrangements will be made to include them next month with the September notes!

The Moose's Ear

These phrases were overheard by big Moose ears. Who is the speaker you ask and in what context was it spoken? You figure it out.....

- ◆ "What am I going to dip that in?"
- ◆ "You CAN eat just one."
- ◆ "Where do you want it?"
- ◆ "Want to see my Otter Pop?"
- ◆ "Sorry. I think I just got some on you."
- ◆ "You guys & Brad."
- ◆ "It gets hard when you hit the teeth"
